YES, I would like my artwork to be considered for the traveling exhibition with the Utah Arts Council 2008-2009

Each work must have a completed identifying card attached to its back stating either of the following:

1 - Original Artwork: Developed from personal experience, imagination and direct observation; from multiple personal photographs or sketches.

2 - Adapted Concept: Artwork developed from other sources using multiple elements or photographs with personal interpretation to create a new perception. We require the use of two or more images for each work. Each source material must be identified on the file card, and an image or copy of the actual source must be included.
